

Thanks to you, the Arts Council of Appling County had a wonderful 2006-2007 season which included the Community Theatre presentations of "Life With Father" and "The Music Man", performances by Valdosta State Jazz Ensemble and Dallas Brass, as well as community art exhibitions.

As we catch our breath and reflect on our past accomplishments, lets not forget that our memberships are instrumental in bringing these exciting cultural events to our community. Admission prices never cover the entire cost of an event. ..we depend on membership donations to make up the difference.
